

Brinsworth Howarth  
Summer Term Subject Information KS2

Class 5:

Mrs Ford and Mrs Bolton

**ANCIENT GREECE**

Our topic this term is Ancient Greece and we will be reading the novel "Who let the Gods out?" by Maz Evans. We are also planning to hold a "Greek Day" in school after half term - details to follow.

Literacy

In Literacy, we will be studying our class novel, and learning how to write a variety of different persuasive text types. We will read many of the Ancient Greek Myths and Legends, paying particular attention to their monsters!

Numeracy

The children will extend and consolidate their knowledge of fractions, decimals and percentages, as well as covering coordinates, properties of shape and statistics. Problem solving activities and investigations will continue to form part of our maths work. As always a strong emphasis will be placed on mental calculation strategies and knowing our tables

Science: In science we will be finding out about the properties of light and how it travels. We will also be learning about the Solar System.

DT: We will be examining how to make recipes healthier.

Art: We will be working towards our entry for the 'Picture This'

RE: We will be studying The Five Pillars of Islam

MFL: We will be following the Oak Academy scheme.

Music: We are working with the Royal Opera House to put on a performance of "Hansel and Gretel"

PSHE

This term we will continue to think about forming positive relationships in The Caring School, Bullying, pressures and risks and e-safety - chatting safely online. We will also be looking at the changes that happen to our bodies during puberty - a further letter about this will be sent.

P.E

Our P.E. days are currently Mondays and Fridays. Please wear outdoor P.E. kit to school: Plain black or navy tracksuit bottoms, white t-shirt and plain black or navy jumper or fleece.

### Homework

Other homework will be set on Fridays to be finished by the following Wednesday - this will be linked to work studied in class. Spellings will not be given as homework in Y5, as we will be teaching these in class.

We both look forward to working with you and the rest of the staff to deliver the very best education for your child. If for any reason you need to see us, we are usually available before and after school or via the school email.

With warm regards, Mrs Ford and Mrs Bolton
